Trade Unionist?

My father used to say, "...people can convince themselves of anything, even if it's wrong!" and to that I would add, "Just because you have the power to do something, doesn't mean you should!" As trade unionists we are under constant attack from a multitude of sources that are trying to destroy us, which makes it especially distressing when conflicts arise within our ranks and we begin to destroy ourselves, or as **President Abraham Lincoln** said, ***"America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves."***

Take 8 minutes to listen to the inspiring words of solidarity from LIUNA General President Terry O'Sullivan and then ask yourselves...why?!

How soon we forget!
